

Notice to Contractors is hereby given.

Markleeville Public Utility District ("MPUD") will receive sealed envelope bids only for the **Sewer Pump Station Relocation Project** at the Alpine Watershed Group, 50 Diamond Valley Rd., Markleeville, CA 96120 until **1:00 p.m.** local time, **November 6, 2024**. At which time or thereafter said bids may be read aloud.

The contractor is advised that a Good Faith Effort to acquire Disadvantaged Business Enterprises (DBE) subcontractors, including documentation is a requirement of this bid.

The Project consists of removing and abandoning an existing sewer pump station and installing a new sewer pump station including all site improvements, electrical, and piping work required to tie the sewer pump station into the existing sewer system. The project will occur North of the Laramie St. and Highway 89 intersection, from the highway to the wastewater treatment plant.

MPUD will issue a Notice of Intent to Award within thirty (30) calendar days after the opening of Proposals, as the project is funded but the California Water Boards Clean Water State Revolving Fund agreement (project number C-06-8426210) and will not be officially award until approval has been issued by the State.

The contractor is to carefully examine the site of the proposed work and is to make his or her own determination of the scope of the work to be performed, and he or she is to carefully examine all Contract Documents. An optional pre-bid meeting will be held at 11:00 a.m. local time on October 11, 2024, at Heritage Park and Nature Area, 14601 Alpine State Hwy, Markleeville, CA 96120.

BID SUBMITTAL REQUIREMENTS: No proposal will be accepted unless it is made on a Proposal forms furnished by MPUD within these Specifications. **To ensure consideration, the Proposal must be enclosed in a sealed envelope, clearly marked BID PROPOSAL which also bears the name of the project, and the date and time set for opening of Proposals:**

**BID PROPOSAL
Markleeville Public Utility District
Sewer Pump Relocation Project
November 6, 2024, 1:00 pm**
